

NUDUS

If you are a student in an architectural Master program and you have passion for creativity and innovation, we'd love to hear from you. Bring your unique perspective and expertise to our studio, and let's create something special together.

For our Visual Department we are looking for someone who:

- is very good in 3D modelling with Rhinoceros 3D (Grasshopper is a plus)
- has rendering skills with Vray or Enscape, (Video rendering software are a plus, 3D max and Blender too)
- has skills in Photoshop for postproduction and image manipulation,
- Adobe Suite software (Indesign, After effects, Premiere Pro is a plus)
- hand drawing skills,
- is familiar with using a pen tablet for drawing
- likes to join an international team and therefore has a good working proficiency in English
- has as a healthy dose of ambition to grow together with the company
- is available for 32-40 hours a week
- is available for at least 5-6 months

What do we offer you:

- An intern position with a young, international architecture office, that is committed to a fun, healthy and more sustainable future.
- Opportunity to develop and grow
- Frequent office excursions with the whole team
- Monthly inspirational lectures with food and drinks on the house
- A workplace in the heart of Rotterdam
- An intern fee that matches your capabilities

Interested? Then please email a cover letter, your CV and your portfolio (max 5mb) to work@nudus, attention of Johanneke van Helden.

If you have any questions, please do not hesitate to contact the Nudus office: Johanneke van Helden +31 (0) 10 3138902
